

slature. Thank you for
ers would move to amend the
ers amendment appears on

and members of the Legislature,
It relates to raising taxes.
nt the fund by raising a hidden
ere is what I'm proposing to do. I
Now if it's what the Governor wants,
ached, the Governor is going to do all
le to take it off on Select. So let me
d, then let the Governor see if he can
f we do that, then a lot of time will not
But I have opposed increases in fees
ever since I have been down here if
ease was unreasonable. There have
reporters to have their fees raised so
ch per so many words, and I have opposed
ew thing for me. And since those with
al for so many people, even those with
-end jobs, I don't want to see it cost f
tely necessary to have a means to get f
To those people who have plenty of m
a modest and even inconsequential descri
fee by \$6 on the license is only a doll
that's fine if you're going to save
would take to equal an additional \$6 at
ars. That is not the way poor people l
in agriculture, it's not the way farme
ive from hand to mouth. You live in a d
are in a position where you don't owe so
these are not inconsequential amounts
plenty of money and to those who are tr
hidden taxes. So what my amendment wo
d 22, because that's where you're going
he driver's license from ten to six,
reduce that amount by \$2. Two dollars.
